SUMMARY

As an 18-year-old frontend developer, I, Aras Azizi, am dedicated to crafting engaging, visually appealing, and user-friendly digital experiences. With a keen eye for design and detail, I bring creativity and precision to each project. Known for my patience and ability to learn quickly, I adapt readily to new technologies and trends, ensuring my work stays current and effective. I am passionate about coding, collaborative teamwork, and refining my skills to deliver high-quality, responsive websites that captivate users.
